HEAD TEACHERS MESSAGE

Happy New Year to you all.

The children have come back to school on fire this week. I have never had so many coming to me to share their learning in one week! What a great start to 2024!

We have had a few visitors around school and all have commented on the enthusiasm and confidence of the children across school to share their learning.

I just wanted to share some great news from the validated government performance data for 2022/23 which was released at the end of December. We are 38th out of 582 Lancashire schools. The data uses the key indicator of percentage of pupils at the expected level in Reading, Writing and Mathematics.

A great result due to the hard work of all the staff and children during some particularly challenging years.

Have a lovely weekend

Mrs Brooks

FOREST SCHOOL

Today in Forest school, Foundation Stage have been following a traditional tale's theme. Their first story is Goldilocks and the three bears. We have read the story, made our own bear faces out of leaves, climbed trees, hunted for wolves and bears, made potions, bug hunted, played hide and seek and explored the woodland garden. The children have all had a lovely time
