

Year 2
Spring Term
Homework Grid

Dear Parent,

Homework during the Spring Term will be in the format of 10 tasks covering a range of subjects. I would like the children to aim to complete **all the tasks** on the grid by **Monday 18th March**. The tasks can be done in any order and at your own pace. Homework should be handed in on Mondays only.

There is a grid to explain each task. Please feel free to date when that task has been completed and also make a comment about how your child found the task.

Many of the tasks should be able to be completed independently, some may require help. Please encourage your child to always present their work to a very high standard. If you require any further assistance with the completion of the tasks please do not hesitate to speak to me.

Some homework may be put on display in school, so you will not always receive each piece back.

Please note - there are no homework books in year 2, therefore please make sure your child writes their name on any piece of work and put the number of task at the top of the page.

Thanking you in anticipation of your support.
