

Year 4
Spring Term
Homework Grid

Dear Parents / Guardians,

I hope you all had a great Christmas! The very best wishes for a happy and healthy 2024!

Year 4 homework during the Spring Term will be in the format of 10 tasks covering a range of subjects.

I expect homework to be completed to a **very high standard** - team points and homework awards will be given out throughout the term. A final certificate will be awarded with 5 team points when all tasks are completed. I am very happy for you to support your child with their homework but do not complete it for them.

I would like the children to complete **all the tasks** on the grid by **Monday 23rd March 2024**. The tasks can be done in **any order** and at your own pace. Homework should be handed in on **Mondays only**. There is a grid in the children's homework book representing each task, please date when that task has been completed and make any comments about how your child found the task.

If you require any further assistance with the completion of the tasks please do not hesitate to speak to me.

Important - children need to put the date and number of task at the top of the page before completing the task.

Thanking you in anticipation of your support.

Miss Ayres & Mrs Taylor

<p><u>Task 1: Maths Reasoning</u></p> <p>Complete one of the reasoning questions each week.</p> <p>Make sure you put your answers in your Homework book.</p>	<p><u>Task 2: Maths</u></p> <p>Complete the money investigation attached. You can record your answers EITHER on the sheet or in your Homework book.</p>	<p><u>Task 3: English - Spelling</u></p> <p>Revise the spelling of the common Y4 conjunctions on the worksheet provided. Please also continue to practise the Y3/4 Common Exception Words list.</p>	<p><u>Task 4: English</u></p> <p>Create a storyboard retelling either your favourite book or your current reading book.</p>	<p><u>Task 5: Art of Brilliance</u></p> <p>As we are at the beginning of a new year, now is the time to learn a new skill! Think about a skill you have been wanting to learn - it could be juggling, a new style of art, new language etc.</p> <p>You could show us in class, take a picture/video and upload to Clasdojo or keep a journal of your progress.</p>
<p><u>Task 6: PE</u></p> <p>New Year, New Habits!</p> <p>Create a simple fitness course at home for you (and your family) to enjoy. Think about 5/6 activities and you can show us either in picture/video form or a diagram of the course (with instructions).</p>	<p><u>Task 7: Geography</u></p> <p>We will be studying the Amazon Rainforest. We will be studying the different animals and plants as part of our topic.</p> <p>Design a new rainforest animal and describe how it suits its' environment.</p>	<p><u>Task 8: Art</u></p> <p>Our focus artist is Levon Biss this term. Research his work and then take an interesting close up photo. Explain what the photo is and what drew you to this particular image/item?</p>	<p><u>Task 9: Science</u></p> <p>We will be studying living things this term. Create 2 short fact files:</p> <p>Your favourite animal. A plant or flower</p> <p>Think about:</p> <ul style="list-style-type: none"> *name *classification/ species group *measurements *interesting information 	<p><u>Task 10: RE</u></p> <p>We often find keeping going in the Spring term tough after the excitement of Christmas celebrations.</p> <p>Write a prayer to help you 'keep going' (resilience) and remind you of all that you are thankful for.</p>

Date completed	Any comments about the task
