### **HEADTEACHER'S MESSAGE**

We've had a fabulous week in school. Year 4 treated me to an amazing chick pea curry for lunch on Monday-it was delicious!

I have been blown away by year 2's writing and I've enjoyed meeting year 6's purple bears. They were inspired to recycle their purple jumpers by Isatou Ceesay from a small village in Gambia who makes bags from recycled materials. Recycling and reducing waste is so important to look after our planet for the future generations.

We have been very lucky with the weather this morning which meant our Final Charnock Challenge could take place and the enterprise group were blown away with the generosity across school making over £300. Thank you for your wonderful support.

The tuck shop provided as part of the Archbishop of York young leaders work has been a roaring success raising over £400 which will go towards our continued sponsorship of Jeyko through Compassion UK.

Have a wonderful weekend and I may see some of you at Walking Day tomorrow.

### **WEEKLY PRAYER**

Dear God,

Thank you for letting us have amazing classmates and teachers.

We are so thankful for seven wonderful years at our amazing primary school.

Help us to be unique and courageous in high school

Help us be successful in high school.

Amen.

By Theo and Daisy (Year 6)

### **WALKING DAY INFORMATION**

Walking day will be taking place tomorrow around the village. Please meet outside the church at 2:05 pm . Refreshments will be available in school after the event.

### **STAFFING NEWS**

Miss Bridge and Miss Dique will sadly be leaving us at the end of the summer term. I'd like to take the opportunity to thank them for all their hard work during their time at Christ Church and wish them the very best as they embark on new adventures.

In September Mrs Marshall and Mrs Roberts will be joining our staff team. We look forward to welcoming them to Team Christ Church.

**YEAR 5**

## FOREST SCHOOL

Year 3 have continued their fascinating journey into ancient writing techniques this week by creating their own natural paints using chinks and the berry mixture they prepared last week. With their handmade paints, they decorated the paper they created earlier, which has now dried beautifully. The class has also embarked on an exciting new challenge: trying to transform bark into paper — we'll have to see how that experiment turns out over the next few weeks! Meanwhile, their den has been transformed into a lively Minecraft village, and they've had great fun designing trails and obstacle courses for one another through the woods.

## SUMMER FAIR SUCCESS
