

Foundation Stage
Spring Term
Homework Grid

Dear Parent/Carer,

Welcome back!

During the Spring Term, your child's homework will take the form of key tasks that focus on developing essential skills to support your child's learning in class.

As these tasks are designed to be flexible and practical, **there is no need to return homework**. Instead, we will monitor your child's progress through in-class sound and word checks, as well as by listening to them read.

Your support with these tasks is greatly appreciated. If you have any questions, please don't hesitate to ask.

Thank you for your continued support.

Warm regards,
Mrs Shepherd
