## **HEADTEACHER'S MESSAGE**

What a busy week we've had in school! I spent some time at Forest School on Tuesday, and I was so impressed with the children's attitudes during fire-lighting. It's such a tricky skill, but they were so determined—no one gave up! And of course, they absolutely loved all the mud too!

Year 2 all really enjoyed their trip to the Cathedral and the Mosque. They haven't stopped talking about it, and all the adults who went along commented on how brilliant their behaviour was.

It's still pretty chilly outside, but spring is definitely on its way. We even spotted our first daffodils in school, which always brings a smile to everyone's face.

Foundation Stage loved finding out who their first secret reader was -and he was fab making everyone one laugh!

Have a lovely weekend, and I hope you get to spot a few signs of spring yourself! 

## **WEEKLY PRAYER**

Dear God,

Make us be brave for the future upon us,

So we can thrive in every aspect of learning and life,

Help us use bravery to overcome obstacles,

Being brave will not be easy but with your guidance and strength we can do it,

Amen.

## **FOREST SCHOOL**

This week in Forest School, we continued our exciting learning about fire. The children practised safely lighting cotton wool using a fire starter and learned how to identify dead wood hanging in trees, discussing why hanging deadwood is better to use than sticks found on the ground.

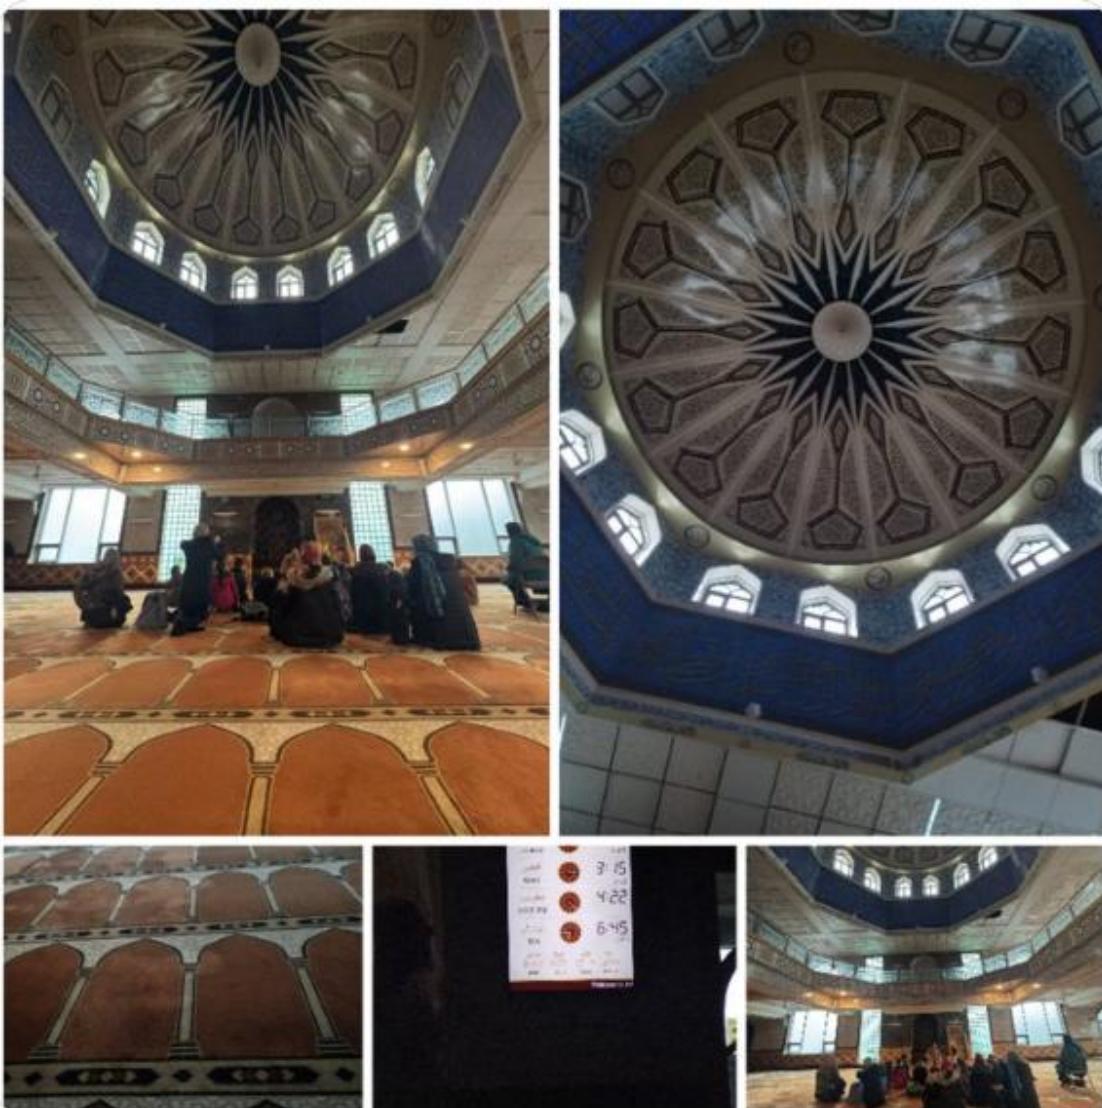

They also had lots of fun building see-saws, which they jumped on to send sticks flying as high as possible! These were later turned into scales to compare what was heavier – themselves or different natural objects they found around the woods.

Alongside this, the children showed great creativity by building dens and cafés, and they enjoyed playing a variety of games together, developing teamwork, imagination and confidence outdoors.

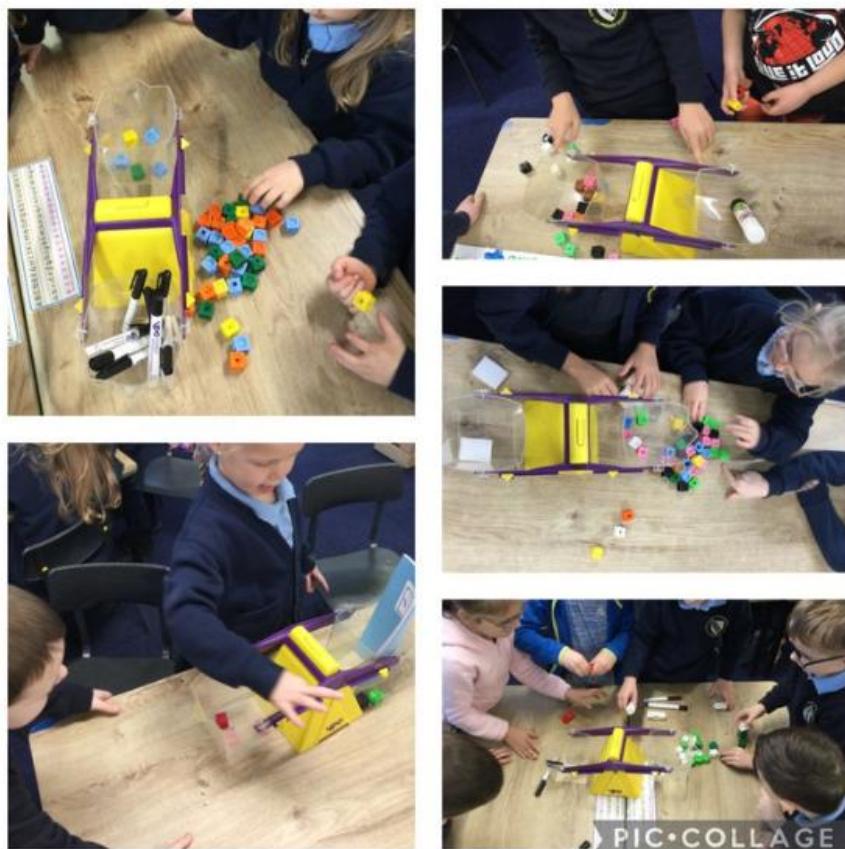

## YEAR 2 CATHEDRAL AND MOSQUE VISIT

Year 2 visited Blackburn Cathedral and Mosque this week, they were fascinated with all the beautiful things they saw and new things they learned about different places of worship.

## YEAR 1

Year 1 have been amazing at weighing items using cubes this week
