YEAR 4	ARCHIE	ARLO
YEAR 5	ELI	OLIVIA
YEAR 6	ROSE	EMILY

**'I can do all things because Christ gives me strength' Phil 4:13**

## **HEADTEACHER'S MESSAGE**

I cannot believe we are already half way though this half term! We have had another busy week. KS2 members of our school council had a trip to Eco Town to learn all about how our waste is sorted and recycled, they will be exceptional role models in school for our younger children.

Year 4 were crossing the Amazon River this week with Commando Joe's, I was so impressed by their fantastic teamwork.

This week finished with a sensory salad in year 6, children used all the colours of the rainbow to create salads that were just as delicious as they looked!

I hope you all have a fantastic weekend.

Mrs Brooks

## **WEEKLY PRAYER**

Dear Lord

Thank you for the creations of spring and the beauty of the wildlife around us, please bless our families and friends

Amen

Head Prefects

## **#WakeUpWednesday**

The National College provide #WakeUpWednesday guides to empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age appropriate conversations with children about online safety, mental health and climate change. We will be regularly sharing links to current topics. This week's topic is regarding Roblox so please [Click Here](#) to take a look! The topics shared will also be shared on the online safety section of our website if you are unable to open the link.

**What Parents & Educators Need to Know about ROBLOX**

Roblox is one of the most popular video games among children. In 2020, the game's developers claimed that more than half of the USA's children had played it. As a 'sandbox' title, the game lets players create their own gaming experiences with Roblox Studio to build custom levels, which can then be shared online.

## EARLY BIRD OF THE WEEK

**FOUNDATION STAGE**

**YEAR 1**

**YEAR 2**

**YEAR 3**

**YEAR 4**

**YEAR 5**

**YEAR 6**

## **FOREST SCHOOL**

This week, Year 3 continued developing their fire skills during our woodland learning sessions. Two groups successfully lit their 10-minute fires after carefully collecting dead wood from around the woods and sorting it into small, medium and large piles. The children confidently used the knowledge they've built up over the past few weeks to light their fires and keep them going, showing great teamwork, focus and respect for safety.

Although the afternoon session was too windy to work with fire in the woods, that certainly didn't stop the fun! The children got creative by making woodland creatures and their own fire dishes from clay, collected more dead wood, and practised fire-lighting techniques on the playground. We also had thoughtful discussions about the different safety considerations that would be needed if a fire were lit in that space.

To finish the day, the children let off some energy with some very enthusiastic games of Chaos Tag on the field. A fantastic week of learning, creativity and outdoor fun!

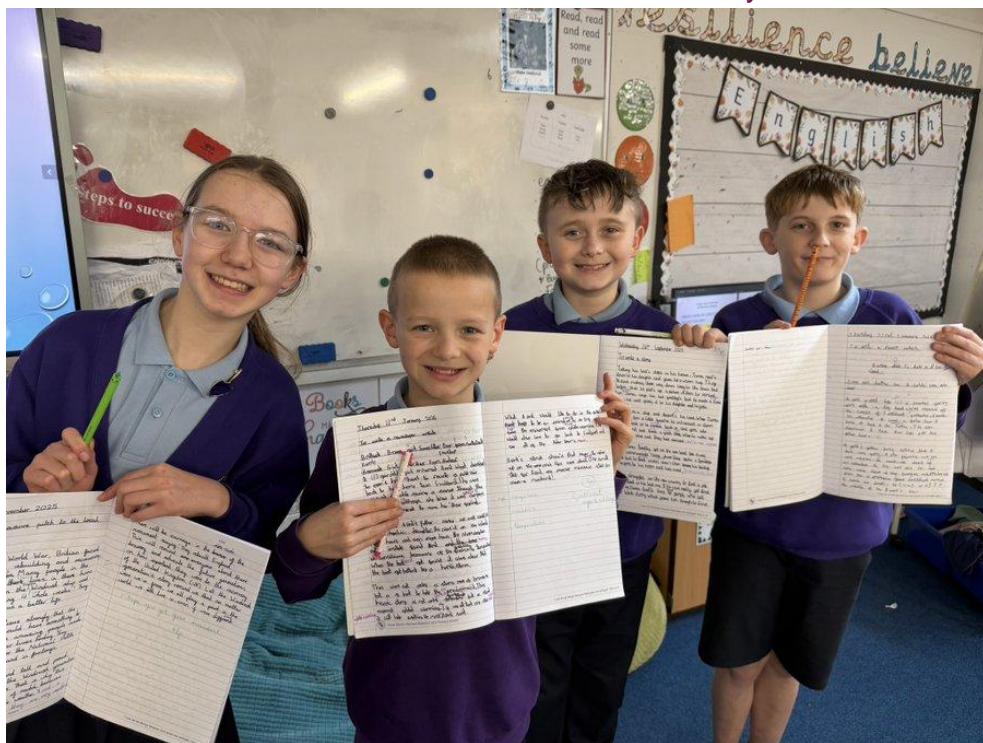

## ECO TOWN

School Council went to the recycling centre today and learnt all about how our waste is sorted and recycled.

## YEAR 6 WRITERS OF THE WEEK

Writers of the week!!!!!! Based on The Last Bear by Hannah Gold

## COMMANDO JOES

Year 4 crossed the Amazon River in Commando Joe's! What a brilliant display of teamwork, determination and resilience!

## YEAR 1 SHAPES

Year 1 have used their knowledge of 2D and 3D shapes to make different models and pictures.

## DELICIOUS SENSORY SALAD

Does food affect our mood ? Year 6 have been discussing this ... today they are making a sensory salad ! Yum! The classroom smells so lovely!
