

Year 3
Spring Term Homework

Dear Parents/ Guardians,

Happy New Year and welcome back!

Year 3 homework during the Spring Term will be in the format of a grid of 10 tasks covering a range of subjects.

I expect homework to be completed to a very high standard - team points and homework awards will be given out throughout the term. A final certificate will be awarded with 20 team points when all tasks are completed. I'm very happy for you to support your child with their homework but please do not complete it for them.

I would like the children to complete **all the tasks** on the grid by **Monday 23rd March 2026**. The tasks can be done in any order and at your own pace. Homework should be handed in on **Mondays only**. It will be marked and returned to children on a Monday afternoon. A grid is enclosed with space for you to date when a task has been completed and make any comments about how your child found the task.

Important - children should put the date and number of the task at the top of the page before completing the task.

If you have any questions about the homework please don't hesitate to speak to me.

I look forward to seeing the children's fantastic work.

Mrs Lowe

<p><u>Task 1: English Comprehension</u></p> <p>Read the text on The Romans and answer the questions.</p>	<p><u>Task 2: English Spelling</u></p> <p>Learn the spelling words beginning with F - O on your list of Year 3 Common Exception Words.</p> <p>Use Spelling Frame to practise other spellings three times per week.</p>	<p><u>Task 3: Maths</u></p> <p>Complete <u>one</u> workout every week and self-mark (answers at back of book) in a different colour.</p> <p>Send the book into school weekly marked and add any notes/ messages on the workout if your child needs extra help/ support with a question</p>	<p><u>Task 4: Maths</u></p> <p>Complete the questions on time. Write the correct time underneath each analogue clock in words.</p> <p>To consolidate your learning, play on Maths Frame. Scan the QR code to access the game.</p> 	<p><u>Task 5: Science</u></p> <p><u>ADULT SUPERVISION REQUIRED</u></p> <p>Investigate the question: Which shoes are best to stop you slipping?</p> <p>Draw a picture of the shoe that is best. Label it to show what it is about that shoe that makes it so good at stopping you from slipping.</p>
<p><u>Task 6: RE</u></p> <p>With an adult, read the story Jesus heals a man born blind. Then, independently cut out each scene from the story and stick them in your homework book in the correct order. If you like, you can colour the pictures once you have finished.</p>	<p><u>Task 7: ECO Initiative</u></p> <p>To support our School Council Eco Initiatives, try and reuse items instead of throwing them away after one use.</p> <p>Please upload photos on Class Dojo, or post on our X feed. @CCCRPrimary</p>	<p><u>Task 8: PE</u></p> <p>Create your own obstacle course outside. This could be in your garden, at the park or at a local playing field. What is the quickest time that you can complete your obstacle course in? Can any of your family members beat your time?</p>	<p><u>Task 9: History</u></p> <p>Research Roman Baths. What did they look like? What were they used for? Do any Roman Baths still exist today? Present the information you find as a poster.</p>	<p><u>Task 10: Art</u></p> <p>Research the artist Faith Ringgold, and create a piece of artwork in the style of her work.</p>
