HEADTEACHER'S MESSAGE

It has been a cold and windy one this week! Our forest school made the most of their time by visiting the Orchard Garden up the road, the children had a fantastic time exploring somewhere different and using their imaginations to create some wonderful stories.

Year 6 were lucky enough to go and see the St Michael's production of Chitty Chitty Bang Bang, which they thoroughly enjoyed. It was also nice to see some familiar faces on stage.

Foundation stage have been learning all about Lunar New Year this week, it was quite the spectacle as their Chinese dragon was paraded around the school!! Mrs Park got rather a surprise in her office!

On Thursday we held Dance Competition rehearsals – I cannot wait to see the children perform at the event in a couple of weeks' time and any parents coming to our showcase next week are in for a treat.

We finished off the week with our Year 6 Robot Swarm Club taking part in a competition in Bolton, they finished second in the qualifiers but just missed out in the final, they all did so well and we are very proud!

Have a lovely weekend.

Mrs Brooks

WEEKLY PRAYER

Dear God,

Thank you for our wonderful food and families.

Thank you for everything you have given us in our world.

Thank you for helping us to make the right choices, to be kind and caring.

We will believe in God so he can show us the way.

Amen

#WakeUpWednesday

The National College provide #WakeUpWednesday guides to empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age appropriate conversations with children about online safety, mental health and climate change. We will be regularly sharing links to current topics. This week's topic is regarding gaming so please [Click Here](#) to take a look! The topics shared will also be shared on the online safety section of our website if you are unable to open the link.

What Parents & Carers Need to Know about

AGE-INAPPROPRIATE CONTENT

"Inappropriate" means different things to different people. What's acceptable for one age group, for example, may be unsuitable for a slightly younger audience. Online, young people can chance upon inappropriate content in various ways – from pop-up ads to TikTok videos. The increasingly young age at which children become active in the digital world heightens the risk of them innocently running into something that they find upsetting or frightening. Trusted adults need to be able to help children be aware of what to do if they're exposed to age-inappropriate content.

FOREST SCHOOL

Due to the strong winds this week making it unsafe to be in the Woodland Garden, Forest School was relocated to the Orchard Garden—and what a fantastic week it turned out to be! The children took part in scavenger hunts, created their own maps of the area, and were fascinated to hear from a local visitor who shared the history of the Orchard Garden. Imaginative play was in full swing as they built villages, golf courses, and even houses for the Smurfs who (apparently!) live nearby. The highlight for many was an exciting wildlife discovery: finding real tawny owl feathers. A wonderful week of exploration, creativity, and learning, even with a change of scenery.
