HEADTEACHER'S MESSAGE

I have to start by saying a HUGE thank you to all of our parents, wider families and friends for all the amazing donations we received for our colour run a couple of weeks ago. Not only did all the children have the best day, but through your kindness and generosity we managed to raise £2500. This is an unbelievable amount and will make such a difference in school! We will, of course, keep you all up to date with how we spend the money to enhance our learning provision in school.

It was our rearranged sports day on Monday, the sunshine certainly helped to create a brilliant atmosphere, and I was incredibly proud of the effort, teamwork, and sportsmanship shown by all pupils. Thank you to everyone who came along to support – it made the day even more special for the children.

We have also been delighted to welcome our new starters for our Foundation Stage transition morning. It was lovely to see the children settling in so confidently, exploring their new environment, and beginning to form relationships with each other. We are very much looking forward to them joining our school family in September.

Our Year 6 children have been busy creating their very special memory bears and they had to demonstrate our characteristics of success during the sewing sessions.

Year 2 have had a wonderful week making the most of the outdoors, both in forest school this week and with alfresco learning who came into school to help recreate the great fire of London with the children! It was fascinating to watch them building structures using the wattle and daub technique.

And finally, we are very much looking forward to our Summer Fair today. Thank you to all the staff, volunteers, and families who have contributed their time and effort to make this event possible.

Have a lovely weekend

Mrs Brooks

WEEKLY PRAYER

Dear God ,

Thank you for the food we eat and the wonderful weather,

We are grateful for spending time with our friends and family to watch sports day and football together,

Help us to be role models and show kindness to everything around us,

Thank you for our beautiful natural world and the trees that give us life.

We are grateful for our magnificent school and our class family and the special events that we have.

Through Christ our Lord, Amen
