YEAR 3	NATHAN	RORI
YEAR 4	LUNA	ESRA
YEAR 5	ALEXIA	BEN
YEAR 6	GEORGE	PENELOPE

'I can do all things because Christ gives me strength' Phil 4:13

HEADTEACHER'S MESSAGE

This week at Christ Church has been full of brilliant learning and fun! Year 2 showed off excellent cooking skills, preparing not one, not two, but three fabulous dishes — quiche, pitta chips and colourful salad jars — with great teamwork and careful attention to hygiene. The girls' football team enjoyed a brilliant few games, scoring three goals between them — well done to all the players for their skill and sportsmanship.

Our Foundation stage salon has also been a huge hit, delighting children and staff alike as the children role-play and practise real-life skills. Thank you to everyone who took part — keep an eye on the website and our social feeds for photos.

Enjoy your weekend

Mrs Brooks

WEEKLY PRAYER

Dear Lord

Thank you for the wonderful start to the new school year.

Please give us strength and patience during hard times

We will try to show resilience and persistence as we flourish in our Christian family.

Amen

THIS WEEK AT FOREST SCHOOL

What a fantastic day of outdoor discovery and outdoor learning in Forest School this week! Our Year 2s embraced every moment of their muddy, creative, and curious adventure.

Our young artists got creative with autumn's natural treasures. Using conkers and colourful leaves in the tuff tray with paint, the children created textured, nature-inspired artwork while exploring different patterns and shapes.

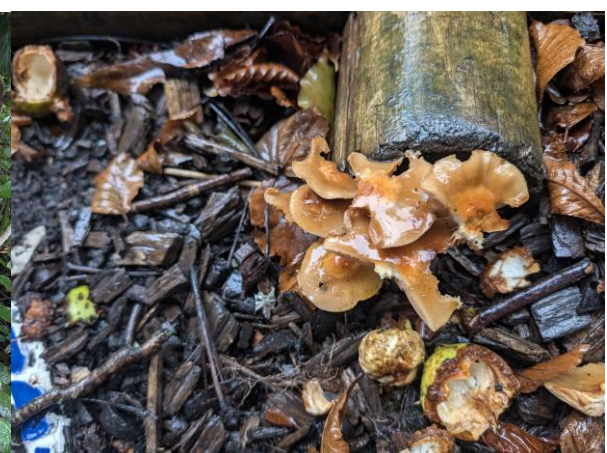

With the chillier weather setting in, Year 2 rolled up their sleeves to make bird feeders. They loved knowing they were giving our local woodland wildlife a much-needed helping hand to get through the winter months.

The mud kitchen was buzzing with activity, culinary creativity, and plenty of squelching! While exploring the woodland garden, the children turned into expert nature detectives and identified 6 different types of mushrooms—including a very rare edible variety. We had a wonderfully mature discussion about fungi safety, and the children were incredibly sensible about why we never pick or eat mushrooms in the wild, even if we think they are edible.

This afternoon, we set off across the school grounds to discover who calls our outdoor spaces home. Working in groups, the children investigated a wide range of habitats:

- Peering deep into hedgerows
- Rolling over rocks and branches
- Gazing up into tree branches
- Searching through long grass
- Exploring open areas in the middle of the field

It was inspiring to see their curiosity, teamwork, and respect for nature throughout the day. Well done, Year 2!

FOUNDATION STAGE SALON IS OFFICIALLY OPEN!!!
