

Year 3
Autumn Term Homework

Dear Parents/ Guardians,

Welcome to Year 3!

Year 3 homework during the Autumn Term will be in the format of a grid of 10 tasks covering a range of subjects. The tasks should be completed in homework books and can be done in any order and at your own pace. Children should put the date and number of the task at the top of the page before completing the task. A grid is enclosed with space for you to date when a task has been completed and make any comments about how your child found the task. Homework should be handed in on **Mondays only**.

I expect homework to be completed to a very high standard - team points and homework awards will be given out throughout the term. A final certificate will be awarded with 20 team points when all tasks are completed. I'm very happy for you to support your child with their homework but please do not complete it for them.

I would like the children to complete **all the tasks** on the grid by **Monday 30th November 2026**. If you have any questions about the homework please don't hesitate to speak to me.

I look forward to seeing the children's fantastic work.

Mrs Lowe

<u>Task 1: English Comprehension</u> Read the text on the Stone Age Cave Paintings and answer the questions.	<u>Task 2: English Spelling</u> Learn the spelling words beginning with A-E on your list of Year 3 Common Exception Words. You only need to practise the words that are not highlighted. Use Spelling Frame to practise other spellings three times per week.	<u>Task 3: Maths</u> Can you find any right angles at home? Take photos of any right angles you find and share on X or Class Dojo.	<u>Task 4: Maths</u> Complete the 3x table dartboard activity.	<u>Task 5: Science</u> Choose two animals. Research the skeletons of the two animals. Compare and contrast the skeletons. What is similar? What is different?
<u>Task 6: RE</u> Why do Christians sing in worship? Think of your favourite song we sing in worship. Write new lyrics to the melody of this song.	<u>Task 7: PSHE</u> Interview the happiest person you know! Write in your homework book the questions you asked them along with their responses. Or you can record a video of your interview and share it on X or on Class Dojo instead.	<u>Task 8: PE</u> Improve your flexibility in preparation for our gymnastics session by completing a Cosmic Kids yoga video on YouTube. My favourite one is Alice in Wonderland. Post an action shot of you completing this task on Twitter (X) or Class Dojo.	<u>Task 9: History</u> Stone Age people could not pop to the shop for food. Everything they ate had to be caught or collected. Write your own recipe for a stone age dinner using the sort of ingredients that would be available to them.	<u>Task 10: Art</u> In art we are looking at the artist Vincent Van Gogh. Choose a painting of his that inspires you and create your own version. Try using some of the techniques we have used in school.
