'I can do all things because Christ gives me strength' Phil 4:13

HEADTEACHER'S MESSAGE

Have a lovely weekend.

Mrs Brooks

WEEKLY PRAYER

Dear God,

Thank you for our school, our church and our teachers.

Please help us learn new things, be kind to each other and always try our best. We are blessed to have our woodland garden where we can learn and explore and our running track where we can get fit and healthy.

Thank you for our church, where we can come together, pray and learn about you.

Thank you for all these wonderful things.

Amen

YEAR 6

THIS WEEK AT FOREST SCHOOL

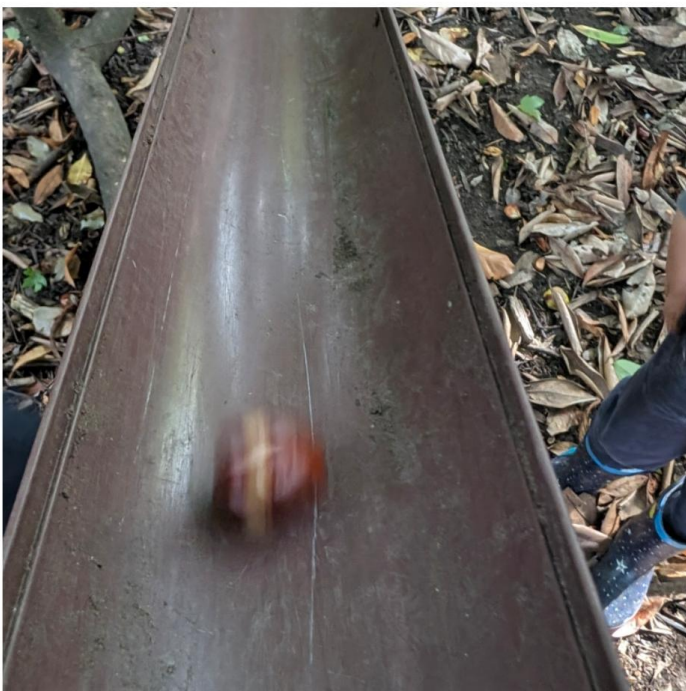

Year 2 Forest School Update

What a busy, creative day Year 2 spent in the woods! We put our fine motor skills to the test by practicing different knots with string, which we then used to construct our own fishing rods, elevated conker slides, and clever little string people.

We also gathered around to discuss the changing seasons, exploring what makes autumn so special—from the changing colours of the canopy to the treasures on the forest floor. The children became keen-eyed nature detectives, spotting plenty of new mushrooms along our path. We even uncovered some mushroom mycelium and learned the fascinating fact that this hidden, web-like network is actually the main body of the mushroom, while the mushroom itself is just the fruiting body above ground.

It was a wonderful blend of practical craft, scientific discovery, and autumnal outdoor fun!

Big October Read

The BIG October read has started ... so of course I gifted the class with BOOKS.. These were very kindly funded by the PTGFA!!!

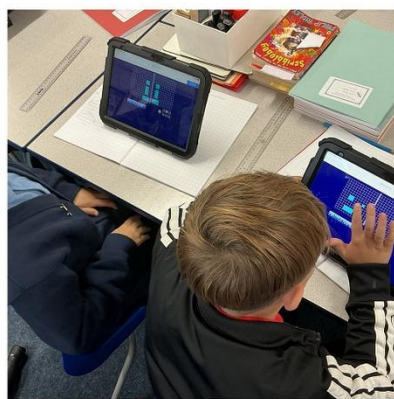

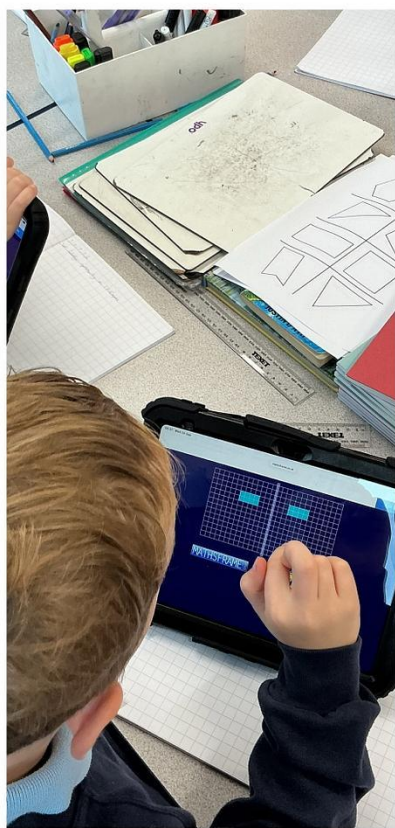

WRITERS OF THE WEEK

FOUR writers of the week in year 6! They are on fire !

YEAR 4

Year 4 have been investigating symmetrical patterns. The children used online activities to demonstrate and explain symmetry.
