HEADTEACHER'S MESSAGE

As we reach the end of a busy half term, thank you for your continued support in all that we do at Christ Church. The children have been amazing in embracing their learning and speaking so confidently and knowledgeably with the many visitors who have visited this half term. We are all very proud of them.

We also say goodbye to Miss Birchall, who is leaving us to take up her dream role teaching at a local deaf school. She will be a wonderful role model, and we wish her every success in this exciting next chapter. After half term, Miss Jones will be joining our team. I know you will join me in giving her a very warm welcome.

I hope you and your family have a lovely half-term break, with plenty of time to relax and enjoy being together. Fingers crossed the rain has finally run its course so you can make the most of the great outdoors!

THIS WEEK AT FOREST SCHOOL

What a fantastic way to finish our time in the woods! Year 2's final week in the woodland garden could only mean one thing: **FIRE!**

The children were absolutely spellbound watching popcorn kernels pop right before their eyes over the open fire. We were so proud of how responsible and safety-conscious everyone was around the fire circle—walking super sensibly and slowly to ensure everyone stayed safe.

Even though it was a rainy day, the weather certainly didn't dampen our spirits! The children had a blast collecting rainwater as it ran off the canopy, using various containers to see who could catch the most. After collecting their water, the students put their engineering skills to the test by running it through a homemade water filter to strain out all the large debris it had accumulated!

After all the excitement, we enjoyed a wonderful moment of peace together. Gathered warmly under the canopy, we listened to the soothing patter of the rain while watching the mesmerizing flames dance. To top off a brilliant day, some of our creative students gathered natural items from around the woodland garden to construct a beautiful "tree" artwork.

It was a truly memorable final session full of warm fires, hands-on learning, and cosy woodland magic!
